

Rhodes 22

\$14,900

Seller/Owner: Frederick (Rick) Lange, SloopBlueHeron@gmail.com *Location:* Cleveland, Ohio

This pocket cruiser is the perfect open water daysailer and gungholer. It has a large, comfortable cockpit and overnight accommodation. In-mast furling (IMF) affords easy single-handed sailing along with a furling jib and a furling asymmetric spinnaker. The 9.9 outboard pushes thru the wind and waves of Lake Erie, or river currents, with confidence. The highway capable trailer has an extended tongue for shallow ramp launching. Built in 1993, the boat, engine and trailer have been professionally maintained.

Included

- Evinrude 9.9 HP long shaft outboard (1995) with electric start and battery charging – reconditioned 2021 by Parma Marine
- Motor tiller extension (for reverse steering)
