

Week 2 has come and gone, and most students are displaying such diligence with working in your classes and on pace, super proud of you. Please remember, to be on pace, you must be working in each of the assigned classes.

This week we have our state mandated continue for the F.A.S.T. testing. Please make sure that you sign up using the sign up sent to you from Ms. Harris. If you cannot come in to test, please let Ms. Harris know so that other arrangements can be made. If you miss any of the testing windows, then we will need to discuss alternate enrollment options.
