Sec. 4dd. The tax levied under this act does not apply to tangible personal property acquired by a person engaged in the business of altering, repairing, or improving real estate for others, or to the manufacture of a product as described under section 3a(1)(f) or (g), if the property or product is to be affixed to or made a structural part of improvements to real property included within a transformational brownfield plan, to the extent that those improvements are included as eligible activities described in section 2(o)(v) of the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2652, on eligible property that is included in a transformational brownfield plan.
