

| THE FEAST OF |

SAINT DOMINIC DE GUZMÁN

AUGUST 8

St. Dominic, preacher of grace,
within you was the fire of love
for all God's people.

With a heart aching to share
the transforming power
of the Gospel message,
your life was shared
without counting the cost.

Our world today
stands in need of healing.

We ask that you unite
your prayer with ours,
so we too may be
preachers of grace
bringing compassion and hope,
mercy and peace.

Amen.
