GROUP TERM LIFE & AD&D INSURANCE

Available to: The Missouri Bar Members

Nothing can replace the loss of a loved one, but carefully chosen life insurance can help provide the funds your spouse and dependents need for a secure, comfortable future. We offer three plans from which to choose:

ANNUAL TERM LIFE INSURANCE

Once approved for coverage, as long as your premium is paid, and the group policy remains in force, you will have insurance until the age of 75 without showing further proof of insurability. Policy renews automatically on an annual basis.

LEVEL TERM LIFE INSURANCE

How does level term differ from annual term? The premium is designed to remain the same level for 10 years or 20 years*, at the end of those periods you will need to show proof of insurability to obtain an additional level term plan.

ACCIDENTAL DEATH & DISMEMBERMENT

Insurance coverage that is available, even if you don't qualify for life insurance. Protect yourself and your family against the risk of death or dismemberment from a covered accident.** This coverage is guaranteed issue.
