

SCHOLARSHIP APPLICATION

FREQUENTLY ASKED QUESTIONS

HOW DO I APPLY FOR AN EMPOWER ILLINOIS SCHOLARSHIP?

The application is a two-step process. First, visit the [Empower Illinois website](#) opening **Wednesday, January 18, 2023, at 6:30pm CT with submission at 7:00pm CT** to reserve your place in line. You will complete a brief, two-page online form containing parent or guardian's name, contact information, and child(ren)'s name(s). This will time stamp your application.

After reserving your place in line, you can access the application through your student portal on **Friday, January 20**. You will receive instructions by email about setting up or opening your student portal after your reservation has been completed. We will begin awarding scholarships **by February 1**. Scholarship awards are subject to the availability of funds at your school of choice. Empower Illinois recommends, however, you submit your application before Friday, **January 27** for the best chance of receiving a scholarship. Failing to submit your application before **January 27** may cause other students who have completed their application to receive a scholarship before you, even if you reserved a place in line in front of them.
