

Geneva High School PTO Membership Information

The Geneva High School PTO would like to welcome you to another wonderful year at GHS. The GHS PTO is a volunteer organization that provides a link between parents, students and staff through the many different events and activities we organize during the school year. We rely on parent involvement, no matter how small the time commitment, to help make a huge difference in our students' high school experience. **Parents can support the PTO through our annual membership donation of \$35 and by volunteering your time.** Your support is greatly appreciated.

PTO income is derived solely from the annual membership donation of \$35.00 per family. With your membership donation you will receive the GHS Family Directory via email in September 2020. [Click here](#) to make your donation. The Directory provides contact information, phone numbers and important dates. We do not hold any fundraisers. Your donation helps support all PTO-sponsored activities and events which include **GHS Family Directory, Textbook Distribution, Student Registration, New Parent Orientation, Back-to-School Night, Homecoming BBQ, Post Prom, Award Presentations, Senior Breakfast, Viking Vendor, Newcomers Welcome, Viking Vessel Newsletter, GIVE Program, Copy Volunteers, Teacher Appreciation Activities, Turkey Trot, and Winter Wonderland Dance.** In addition, we grant teacher "wish lists" for items that are not covered under the school budget.

We'd like to encourage parents to become involved in a PTO committee. Listed on our PTO Sign Up Genius page we have descriptions and time commitments for all the PTO committees. [Click here](#) to access the page to sign up (or copy and paste the link below). **We encourage you to volunteer and appreciate your commitment to helping make the 2020-2021 school year the best yet.**

One of the many ways to stay in touch with the PTO is through The *Viking Vessel* (the PTO newsletter) which is sent electronically each month via 304 Connects. It includes helpful information from the principal, deans, advising, and many other departments in the school. This is a vital form of communication from GHS to your student and family.

You can also follow us on our social media accounts and encourage your students to follow us too.
