Disclaimer: The above table provides estimated waiting times information for non-booked vessels based on current backlog (ready and not ready to transit) and expected arrivals at the date and time it was published and shall be used for reference purposes only. These times may vary significantly based on several factors, including arrivals, vessel restrictions, booked transits (including auctioned transit slots), locks maintenance, weather conditions, among others. The ACP shall not be held liable for the consequences of any actions or decisions taken based on the information provided herein.
