## Virtual Abstract Feedback Session

Saturday, December 3, 2022

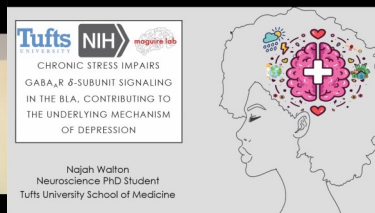

11:00 AM to 12:30 PM EST

### The Role of LOX-1 in Epithelial Cells during Pneumonia

Chelsey Skeete

Mentors: Dr. Filiz Korkmaz, Dr. Lee Quinton

This abstract mentoring session is designed for individuals who wish to receive feedback on their abstract from advisors and peers before submitting it for the 2022 New England Science Symposium.

The meeting will be set-up in small groups (5-7 individuals) where students will give 2-4 minute elevator pitch to the group.

Please [click here](#) to register by **November 16**.

Submission of abstract is required at time of registration. Resources to aid in crafting an abstract can be found [here](#).

*Participating in this session is not required, nor does it guarantee acceptance.*
