

TOGETHER WE THRIVE

Become an employer partner

Local employers are key partners in ensuring Prosper Appalachia participants have the opportunity to gain much needed experience in the workplace. We're working to build new relationships that can both help our businesses fill employment gaps and participants begin to grow as part of the regional workforce. Youth participants will also benefit from access to important mentorship opportunities. Prosper Appalachia mentors will serve as liaisons between participants and business partners to help with problem solving and provide support when needed.

PROSPER APPALACHIA PROVIDES INTERNS WITH:

An internship placement that matches their area of interests

\$10/hour for 35-40 hours a week, for a total of 10 weeks

10-12 virtual leadership & professional development sessions

2-4 in-person offsite seminars

Workers compensation & payroll services through local community action agency

EMPLOYERS PROVIDE INTERNS WITH:

A 10-week long, hands-on work experience

Daily & weekly tasks, projects, and assignments

Mentorship & training opportunities

prosperappalachia.org

*The framework above is for summer internships. Year round opportunities for in-school youth would be on a part-time, individual basis.
