

ACHIEVING HEALTH EQUITY THROUGH CROSS-SECTOR COLLABORATION

2022 Sponsorship Prospectus

THE ROOT CAUSE COALITION's 7th Annual National Summit on the Social Determinants of Health

Sunday, October 2nd – Tuesday, October 4th

Hilton Minneapolis

1001 Marquette Avenue

Minneapolis MN 55403

The Root Cause Coalition's National Summit has become an unrivaled opportunity to share best practices, engage in professional networking, learn about proven interventions that address the social factors that weigh heavily on health outcomes, and hear from national leaders who are recognized for their work in addressing health equity and health justice.

Safely resuming as an in-person gathering for the first time since the onset of the pandemic, this Summit gathers professionals from all areas of the healthcare sector, community-based groups, educators, researchers, businesses, government leaders, faith-based leaders, and others to share best practices and engage in crucial discussions of how – collectively – we can work to achieve our mission of health equity and inclusion for all individuals.

2022 National Summit Format

- In-person conference held in Minneapolis, which is a central location for attendees with convenient in-location stay for the event that follows all COVID-19 safety measures
- Kick-off reception for members, speakers, and select sponsors to connect (Sunday)
- Welcome reception for attendees, speakers, and sponsors to connect (Monday)
- Features nationally renowned keynote sessions, plenary panels, member-led roundtables, and breakout sessions devoted to the Coalition's key focus areas on health equity.

WHY SPONSOR THE NATIONAL SUMMIT?

Exposure to Potential Partners

Promote your organization and raise brand exposure among leaders in healthcare, business, community development, social services, education, faith communities, government sectors and national foundations that have a commitment to health equity and social justice.

Networking Opportunities

Enhance relationships and share business insights with national cross-sector leaders during our kick-off reception and at individual networking booths during the event.

Lead the Cause and Ignite Change

Become a champion for change and underscore your organization's role in achieving health equity by sponsoring this premier National Summit.

Promote Organization Content

Showcase your organization and its work by targeting your brand and unique programs to National Summit attendees, while connecting with experts in the field.

ACHIEVING HEALTH EQUITY THROUGH CROSS-SECTOR COLLABORATION

2022 Sponsorship Prospectus

A Proven Record of Success for Engagement

- In 2021, more than 630 attendees joined the Virtual Summit from 37 states, the District of Columbia and Alberta, Canada. The sectors represented at this National Summit consisted of 39% nonprofit, 24% health or hospital systems, 10% food banks, 9% healthcare associations, and 7% government associations. Among those sectors, 25% of attendees identified themselves as Directors, 24% as Managers, 13% Coordinators, and 12% C-Suite.
- Attendees of the 2021 National Summit rated the event an average of 4.5 out of 5 stars, expressing distinct satisfaction in the National Summit speaker line-up and relevance of topics covered.
- In 2020, the representation of sectors participating in the Virtual Summit included 35% Non-profit; 22% health/hospital systems, 8% food banks; 6% healthcare associations, 6% government, 5% educational institution, 5% healthcare payor and 13% other.
- In that year, the representation of attendees relative to their roles within these sectors was: 30% Director; 24% Manager, 12% C-suite, 12% Coordinator, 6% Associate, 5% Vice President, 11% Other.
