1	8884. Binding effect of compact and other laws.
2	<u>§ 8860. Short title. This article shall be known and may be cited as</u>
3	the "interstate medical licensure compact".
4	§ 8861. Purpose. In order to strengthen access to health care, and in
5	recognition of the advances in the delivery of health care, the member
б	states of the interstate medical licensure compact have allied in common
7	purpose to develop a comprehensive process that complements the existing
8	licensing and regulatory authority of state medical boards, provides a
9	streamlined process that allows physicians to become licensed in multi-
10	ple states, thereby enhancing the portability of a medical license and
11	ensuring the safety of patients. The compact creates another pathway
12	for licensure and does not otherwise change a state's existing medical
13	practice act. The compact also adopts the prevailing standard for licen-
14	sure and affirms that the practice of medicine occurs where the patient
15	is located at the time of the physician-patient encounter, and there-
16	fore, requires the physician to be under the jurisdiction of the state
17	medical board where the patient is located. State medical boards that
18	participate in the compact retain the jurisdiction to impose an adverse
19	action against a license to practice medicine in that state issued to a
20	physician through the procedures in the compact.
21	§ 8862. Definitions. In this compact:
22	1. "Bylaws" means those bylaws established by the interstate commis-

$14^{13}$	tate redesignation of another member state as the state of principal
15	license.
16	§ 8865. Application and issuance of expedited licensure. 1. A physi-

	an expedited license with the member board of the state selected by the
18	
19	physician as the state of principal license.
20	2. Upon receipt of an application for an expedited license, the member
21	board within the state selected as the state of principal license shall
22	evaluate whether the physician is eligible for expedited licensure and
23	issue a letter of qualification, verifying or denying the physician's
24	eligibility, to the interstate commission.
25	(a) Static qualifications, which include verification of medical
26	education, graduate medical education, results of any medical or licens-
27	ing examination, and other qualifications as determined by the inter-
28	state commission through rule, shall not be subject to additional prima-

45	including the payment of any applicable fees.
46	4. After receiving verification of eligibility under subdivision two
47	of this section and any fees under subdivision three of this section, a
48	member board shall issue an expedited license to the physician. This

Failure to provide service of process to the interstate commission shall render a judgment or order void as to the interstate commission, the compact, or promulgated rules. § 8877. Enforcement of interstate compact. 1. The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of the compact. 2. The interstate commission may, by majority vote of the commissioners, initiate legal action in the United States District Court for the District of Columbia, or, at the discretion of the interstate commission, in the federal district where the interstate commission has its principal offices, to enforce compliance with the provisions of the compact, and its promulgated rules and bylaws, against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney's fees. 3. 30	3. The governors of non-member states, or their designees, shall be
31	invited to participate in the activities of the interstate commission on
32	a non-voting basis prior to adoption of the compact by all states.
33	4. The interstate commission may propose amendments to the compact for
34	enactment by the member states. No amendment shall become effective and
35	binding upon the interstate commission and the member states unless and
36	until it is enacted into law by unanimous consent of the member states.
37	§ 8881. Withdrawal. 1. Once effective, the compact shall continue in
38	force and remain binding upon each and every member state; provided that
39	a member state may withdraw from the compact by specifically repealing
40	the statute which enacted the compact into law.
41	2. Withdrawal from the compact shall be by the enactment of a statute
42	repealing the same, but shall not take effect until one year after the
43	effective date of such statute and until written notice of the with-
44	drawal has been given by the withdrawing state to the governor of each
45	other member state.
46	3. The withdrawing state shall immediately notify the chairperson of
47	the interstate commission in writing upon the introduction of legis-
48	lation repealing the compact in the withdrawing state.
49	4. The interstate commission shall notify the other member states of
50	the withdrawing state's intent to withdraw within sixty days of its
51	receipt of notice provided under subdivision three of this section.
52	5. The withdrawing state is responsible for all dues, obligations and
53	liabilities incurred through the effective date of withdrawal, including
54	obligations, the performance of which extend beyond the effective date
55	of withdrawal.

1	6. Reinstatement following withdrawal of a member state shall occur
2	upon the withdrawing state reenacting the compact or upon such later
3	date as determined by the interstate commission.
4	7. The interstate commission is authorized to develop rules to address
5	the impact of the withdrawal of a member state on licenses granted in
6	other member states to physicians who designated the withdrawing member
7	state as the state of principal license.
8	§ 8882. Dissolution. 1. The compact shall dissolve effective upon the
9	date of the withdrawal or default of the member state which reduces the
10	membership in the compact to one member state.
11	2. Upon the dissolution of the compact, the compact becomes null and
12	void and shall be of no further force or effect, and the business and
13	affairs of the interstate commission shall be concluded and surplus
14	funds shall be distributed in accordance with the bylaws.
15	§ 8883. Severability and construction. 1. The provisions of the
16	compact shall be severable, and if any phrase, clause, sentence, or
17	provision is deemed unenforceable, the remaining provisions of the
18	compact shall be enforceable.
19	2. The provisions of the compact shall be liberally construed to
20	<u>effectuate its purposes.</u>
21	3. Nothing in the compact shall be construed to prohibit the applica-
22	bility of other interstate compacts to which the states are members.
23	§ 8884. Binding effect of compact and other laws. 1. Nothing contained
24	in this article shall prevent the enforcement of any other law of a
25	member state that is not inconsistent with the compact.
26	2. All laws in a member state in conflict with the compact are super-
27	seded to the extent of the conflict.
28	3. All lawful actions of the interstate commission, including all
29	rules and bylaws promulgated by the commission, are binding upon the
30	member states.
31	4. All agreements between the interstate commission and the member
32	states are binding in accordance with their terms.
33	5. In the event any provision of the compact exceeds the constitu-
34	tional limits imposed on the legislature of any member state, such
35	provision shall be ineffective to the extent of the conflict with the
36	constitutional provision in question in that member state.
37	§ 2. Article 170 of the education law is renumbered article 171 and a
38	new article 170 is added to title 8 of the education law to read as
39	follows:

1	§ 8900. Nurse licensure compact. The nurse license compact as set
2	forth in the article is hereby adopted and entered into with all party
3	states joining therein.
4	§ 8901. Findings and declaration of purpose 1. Findings. The party
5	states find that:
6	a. The health and safety of the public are affected by the degree of
7	compliance with and the effectiveness of enforcement activities related
8	to state nurse licensure laws;
9	b. Violations of nurse licensure and other laws regulating the prac-
10	tice of nursing may result in injury or harm to the public;
11	c. The expanded mobility of nurses and the use of advanced communi-
12	cation technologies as part of our nation's health care delivery system
13	require greater coordination and cooperation among states in the areas
14	of nurse licensure and regulation;
15	d. New practice modalities and technology make compliance with indi-
16	vidual state nurse licensure laws difficult and complex;
17	e. The current system of duplicative licensure for nurses practicing
18	in multiple states is cumbersome and redundant for both nurses and
19	states; and
20	f. Uniformity of nurse licensure requirements throughout the states
21	promotes public safety and public health benefits.
22	2. Declaration of purpose. The general purposes of this compact are
23	
24	a. Facilitate the states' responsibility to protect the public's
25	health and safety;
26	b. Ensure and encourage the cooperation of party states in the areas
27	of nurse licensure and regulation;
28	c. Facilitate the exchange of information between party states in the
29	areas of nurse regulation, investigation and adverse actions;
30	d. Promote compliance with the laws governing the practice of nursing
31	in each jurisdiction;
32	e. Invest all party states with the authority to hold a nurse account-
33 24	able for meeting all state practice laws in the state in which the
34 25	patient is located at the time care is rendered through the mutual
35	recognition of party state licenses;
36	f. Decrease redundancies in the consideration and issuance of nurse
37	licenses; and
38 39	g. Provide opportunities for interstate practice by nurses who meet uniform licensure requirements.
40	§ 8902. Definitions. 1. Definitions. As used in this compact:
40 41	<u>a. "Adverse action" means any administrative, civil, equitable or</u>
42	criminal action permitted by a state's laws which is imposed by a
43	licensing board or other authority against a nurse, including actions
43 44	against an individual's license or multistate licensure privilege such
45	as revocation, suspension, probation, monitoring of the licensee, limi-
46	tation on the licensee's practice, or any other encumbrance on licensure
40 47	affecting a nurse's authorization to practice, including issuance of a
48	cease and desist action.
40 49	b. "Alternative program" means a non-disciplinary monitoring program
50	approved by a licensing board.
50 51	<u>c. "Coordinated licensure information system" means an integrated</u>
52	process for collecting, storing and sharing information on nurse licen-
53	sure and enforcement activities related to nurse licensure laws that is
54	administered by a nonprofit organization composed of and controlled by
55	licensing boards.

1	d. "Commission" means the interstate commission of nurse licensure
2	compact administrators.
3	e. "Current significant investigative information" means:
4	1. Investigative information that a licensing board, after a prelimi-
5	nary inquiry that includes notification and an opportunity for the nurse
б	to respond, if required by state law, has reason to believe is not
7	groundless and, if proved true, would indicate more than a minor infrac-
8	tion; or
9	2. Investigative information that indicates that the nurse represents
10	an immediate threat to public health and safety regardless of whether
11	the nurse has been notified and had an opportunity to respond; or
12	3. Any information concerning a nurse reported to a licensing board by
13	a health care entity, health care professional, or any other person,
14	which indicates that the nurse demonstrated an impairment, gross incom-
15	petence, or unprofessional conduct that would present an imminent danger
16	to a patient or the public health, safety, or welfare.
17	f. "Encumbrance" means a revocation or suspension of, or any limita-
18	tion on, the full and unrestricted practice of nursing imposed by a
19	licensing board.
20	g. "Home state" means the party state which is the nurse's primary
21	state of residence.
22	h. "Licensing board" means a party state's regulatory body responsible
23	for issuing nurse licenses.
24	<u>i. "Multistate license" means a license to practice as a registered</u>
25	nurse (RN) or as a licensed practical/vocational nurse (LPN/VN), which
26	is issued by a home state licensing board, and which authorizes the
27	licensed nurse to practice in all party states under a multistate licen-
28	<u>sure privilege.</u>
29	j. "Multistate licensure privilege" means a legal authorization asso-
30	ciated with a multistate license permitting the practice of nursing as
31	<u>either a RN or a LPN/VN in a remote state.</u>
32	<u>k. "Nurse" means RN or LPN/VN, as those terms are defined by each</u>
33	<u>party state's practice laws.</u>
34	1. "Party state" means any state that has adopted this compact.
35	<u>m. "Remote state" means a party state, other than the home state.</u>
36	<u>n. "Single-state license" means a nurse license issued by a party</u>
37	state that authorizes practice only within the issuing state and does
38	not include a multistate licensure privilege to practice in any other
39	party state.
40	o. "State" means a state, territory or possession of the United States
41	and the District of Columbia.
42	p. "State practice laws" means a party state's laws, rules and regu-
43	lations that govern the practice of nursing, define the scope of nursing
44	practice, and create the methods and grounds for imposing discipline.
45	"State practice laws" shall not include requirements necessary to obtain
46	and retain a license, except for qualifications or requirements of the
47	home state.
48	§ 8903. General provisions and jurisdiction. 1. General provisions and
49	jurisdiction. a. A multistate license to practice registered or licensed
50	practical/vocational nursing issued by a home state to a resident in
51	that state will be recognized by each party state as authorizing a nurse
52	to practice as a registered nurse (RN) or as a licensed
53	practical/vocational nurse (LPN/VN), under a multistate licensure privi-
54	<u>lege, in each party state.</u>
55	b. A state shall implement procedures for considering the criminal

56 history records of applicants for an initial multistate license or

1	licensure by endorsement. Such procedures shall include the submission
2	of fingerprints or other biometric-based information by applicants for
3	the purpose of obtaining an applicant's criminal history record informa-
4	tion from the federal bureau of investigation and the agency responsible
5	for retaining that state's criminal records.
б	c. Each party state shall require its licensing board to authorize an
7	applicant to obtain or retain a multistate license in the home state
8	only if the applicant:
9	i. Meets the home state's qualifications for licensure or renewal of
10	licensure, and complies with all other applicable state laws;
11	ii. (1) Has graduated or is eligible to graduate from a licensing
12	board-approved RN or LPN/VN prelicensure education program; or
13	(2) Has graduated from a foreign RN or LPN/VN prelicensure education
14	program that has been: (A) approved by the authorized accrediting body
15	in the applicable country, and (B) verified by an independent creden-
16	tials review agency to be comparable to a licensing board-approved prel-
17	icensure education program;
18	iii. Has, if a graduate of a foreign prelicensure education program
19	not taught in English or if English is not the individual's native
20	language, successfully passed an English proficiency examination that
21	includes the components of reading, speaking, writing and listening;
22	iv. Has successfully passed an NCLEX-RN or NCLEX-PN examination or
23	recognized predecessor, as applicable;
24	v. Is eligible for or holds an active, unencumbered license;
25	vi. Has submitted, in connection with an application for initial
26	licensure or licensure by endorsement, fingerprints or other biometric
27	data for the purpose of obtaining criminal history record information
28	from the federal bureau of investigation and the agency responsible for
29	retaining that state's criminal records;
30	vii. Has not been convicted or found guilty, or has entered into an
31	agreed disposition, of a felony offense under applicable state or feder-
32	al criminal law;
33	viii. Has not been convicted or found guilty, or has entered into an
34	agreed disposition, of a misdemeanor offense related to the practice of
35	nursing as determined on a case-by-case basis;
36	ix. Is not currently enrolled in an alternative program;
37	x. Is subject to self-disclosure requirements regarding current
38	participation in an alternative program; and
39	xi. Has a valid United States social security number.
40	d. All party states shall be authorized, in accordance with existing
41	state due process law, to take adverse action against a nurse's multi-
42	state licensure privilege such as revocation, suspension, probation or
43	any other action that affects a nurse's authorization to practice under
	a multistate licensure privilege, including cease and desist actions. If
44	
45	a party state takes such action, it shall promptly notify the adminis-
46	trator of the coordinated licensure information system. The administra-
47	tor of the coordinated licensure information system shall promptly noti-
48	fy the home state of any such actions by remote states.
49	e. A nurse practicing in a party state shall comply with the state
50	practice laws of the state in which the client is located at the time
51	service is provided. The practice of nursing is not limited to patient
52	care but shall include all nursing practice as defined by the state
53	practice laws of the party state in which the client is located. The
54	practice of nursing in a party state under a multistate licensure privi-
55	lege will subject a nurse to the jurisdiction of the licensing board,

1	the courts and the laws of the party state in which the client is
2	located at the time service is provided.
3	f. Individuals not residing in a party state shall continue to be able
4	to apply for a party state's single-state license as provided under the
5	laws of each party state. However, the single-state license granted to
б	these individuals will not be recognized as granting the privilege to
7	practice nursing in any other party state. Nothing in this compact shall
8	affect the requirements established by a party state for the issuance of
9	a single-state license.
10	g. Any nurse holding a home state multistate license, on the effective
11	date of this compact, may retain and renew the multistate license issued
12	by the nurse's then-current home state, provided that:
13	i. A nurse, who changes primary state of residence after this
14	compact's effective date, shall meet all applicable requirements set
15	forth in this article to obtain a multistate license from a new home
16	state.
17	ii. A nurse who fails to satisfy the multistate licensure requirements
18	set forth in this article due to a disqualifying event occurring after
19	this compact's effective date shall be ineligible to retain or renew a
20	multistate license, and the nurse's multistate license shall be revoked
21	or deactivated in accordance with applicable rules adopted by the
22	commission.
23	§ 8904. Applications for licensure in a party state. 1. Applications
24	for licensure in a party state. a. Upon application for a multistate
25	license, the licensing board in the issuing party state shall ascertain,
26	through the coordinated licensure information system, whether the appli-
27	cant has ever held, or is the holder of, a license issued by any other
28	state, whether there are any encumbrances on any license or multistate
29	licensure privilege held by the applicant, whether any adverse action
30	has been taken against any license or multistate licensure privilege
31	held by the applicant and whether the applicant is currently participat-
32	ing in an alternative program.
33	b. A nurse may hold a multistate license, issued by the home state, in
34	only one party state at a time.
35	c. If a nurse changes primary state of residence by moving between two
36	party states, the nurse must apply for licensure in the new home state,
37	and the multistate license issued by the prior home state will be deac-
38	tivated in accordance with applicable rules adopted by the commission.
39	i. The nurse may apply for licensure in advance of a change in primary
40	state of residence.
41	ii. A multistate license shall not be issued by the new home state
42	until the nurse provides satisfactory evidence of a change in primary
43	state of residence to the new home state and satisfies all applicable
44	requirements to obtain a multistate license from the new home state.
45	d. If a nurse changes primary state of residence by moving from a
46	party state to a non-party state, the multistate license issued by the
47	prior home state will convert to a single-state license, valid only in
48	the former home state.
49	§ 8905. Additional authorities invested in party state licensing
50	boards. 1. Licensing board authority. In addition to the other powers
51	conferred by state law, a licensing board shall have the authority to:
52	a. Take adverse action against a nurse's multistate licensure privi-
53	lege to practice within that party state.
54	i. Only the home state shall have the power to take adverse action
55	against a nurse's license issued by the home state.

ii. For purposes of taking adverse action, the home state licensing 1 board shall give the same priority and effect to reported conduct 2 received from a remote state as it would if such conduct had occurred 3 4 within the home state. In so doing, the home state shall apply its own 5 state laws to determine appropriate action. 6 b. Issue cease and desist orders or impose an encumbrance on a nurse's 7 authority to practice within that party state. 8 c. Complete any pending investigations of a nurse who changes primary 9 state of residence during the course of such investigations. The licens-10 ing board shall also have the authority to take appropriate action or 11 actions and shall promptly report the conclusions of such investigations 12 to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall 13 14 promptly notify the new home state of any such actions. 15 d. Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of 16 17 evidence. Subpoenas issued by a licensing board in a party state for the attendance and testimony of witnesses or the production of evidence from 18 another party state shall be enforced in the latter state by any court 19 20 of competent jurisdiction, according to the practice and procedure of 21 that court applicable to subpoenas issued in proceedings pending before 22 it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in 23 which the witnesses or evidence are located. 24 25 e. Obtain and submit, for each nurse licensure applicant, fingerprint or other biometric-based information to the federal bureau of investi-26 27 gation for criminal background checks, receive the results of the feder-28 al bureau of investigation record search on criminal background checks 29 and use the results in making licensure decisions. 30 f. If otherwise permitted by state law, recover from the affected 31 nurse the costs of investigations and disposition of cases resulting 32 from any adverse action taken against that nurse. 33 g. Take adverse action based on the factual findings of the remote 34 state, provided that the licensing board follows its own procedures for taking such adverse action. 35 36 2. Adverse actions. a. If adverse action is taken by the home state 37 against a nurse's multistate license, the nurse's multistate licensure privilege to practice in all other party states shall be deactivated 38 39 until all encumbrances have been removed from the multistate license. All home state disciplinary orders that impose adverse action against a 40 nurse's multistate license shall include a statement that the nurse's 41 multistate licensure privilege is deactivated in all party states during 42 43 the pendency of the order. b. Nothing in this compact shall override a party state's decision 44 that participation in an alternative program may be used in lieu of 45 46 adverse action. The home state licensing board shall deactivate the 47 multistate licensure privilege under the multistate license of any nurse for the duration of the nurse's participation in an alternative program. 48 49 § 8906. Coordinated licensure information system and exchange of information. 1. Coordinated licensure information system and exchange 50 of information. a. All party states shall participate in a coordinated 51 52 licensure information system of all licensed registered nurses (RNs) and licensed practical/vocational nurses (LPNs/VNs). This system will 53 include information on the licensure and disciplinary history of each 54 nurse, as submitted by party states, to assist in the coordination of 55 56 nurse licensure and enforcement efforts.

18

b. The commission, in consultation with the administrator of the coor-1 dinated licensure information system, shall formulate necessary and 2 proper procedures for the identification, collection and exchange of 3 4 information under this compact. 5 c. All licensing boards shall promptly report to the coordinated 6 licensure information system any adverse action, any current significant 7 investigative information, denials of applications with the reasons for 8 such denials and nurse participation in alternative programs known to 9 the licensing board regardless of whether such participation is deemed 10 nonpublic or confidential under state law. 11 d. Current significant investigative information and participation in 12 nonpublic or confidential alternative programs shall be transmitted through the coordinated licensure information system only to party state 13 14 licensing boards. 15 e. Notwithstanding any other provision of law, all party state licensing boards contributing information to the coordinated licensure infor-16 17 mation system may designate information that may not be shared with non-party states or disclosed to other entities or individuals without 18 the express permission of the contributing state. 19 20 f. Any personally identifiable information obtained from the coordi-21 nated licensure information system by a party state licensing board 22 shall not be shared with non-party states or disclosed to other entities or individuals except to the extent permitted by the laws of the party 23 state contributing the information. 24 25 g. Any information contributed to the coordinated licensure information system that is subsequently required to be expunded by the laws of 26 27 the party state contributing that information shall also be expunged 28 from the coordinated licensure information system. 29 h. The compact administrator of each party state shall furnish a 30 uniform data set to the compact administrator of each other party state, which shall include, at a minimum: 31 32 i. Identifying information; 33 ii. Licensure data; 34 iii. Information related to alternative program participation; and iv. Other information that may facilitate the administration of this 35 36 compact, as determined by commission rules. 37 i. The compact administrator of a party state shall provide all investigative documents and information requested by another party state. 38 39 § 8907. Establishment of the interstate commission of nurse licensure compact administrators. 1. Commission of nurse licensure compact admin-40 istrators. The party states hereby create and establish a joint public 41 entity known as the interstate commission of nurse licensure compact 42 43 administrators. The commission is an instrumentality of the party 44 states. 45 2. Venue. Venue is proper, and judicial proceedings by or against the 46 commission shall be brought solely and exclusively, in a court of compe-47 tent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to 48 the extent it adopts or consents to participate in alternative dispute 49 50 resolution proceedings. 3. Sovereign immunity. Nothing in this compact shall be construed to 51 52 be a waiver of sovereign immunity. 4. Membership, voting and meetings. a. Each party state shall have and 53 54 be limited to one administrator. The head of the state licensing board or designee shall be the administrator of this compact for each party 55

56 state. Any administrator may be removed or suspended from office as

1	provided by the law of the state from which the administrator is
2	appointed. Any vacancy occurring in the commission shall be filled in
∠ 3	accordance with the laws of the party state in which the vacancy exists.
4	b. Each administrator shall be entitled to one vote with regard to the
5	promulgation of rules and creation of bylaws and shall otherwise have an
6	opportunity to participate in the business and affairs of the commis-
7	sion. An administrator shall vote in person or by such other means as
8	provided in the bylaws. The bylaws may provide for an administrator's
° 9	participation in meetings by telephone or other means of communication.
10	<u>c. The commission shall meet at least once during each calendar year.</u>
	Additional meetings shall be held as set forth in the bylaws or rules of
11 12	the commission.
13	d. All meetings shall be open to the public, and public notice of
$14^{13}$	meetings shall be given in the same manner as required under the rule-
$14 \\ 15$	
	<u>making provisions in section eighty-nine hundred three of this article.</u> <u>5. Closed meetings. a. The commission may convene in a closed, nonpub-</u>
16 17	lic meeting if the commission shall discuss:
	i. Noncompliance of a party state with its obligations under this
18	
19	<u>compact;</u>
20	ii. The employment, compensation, discipline or other personnel matters, practices or procedures related to specific employees or other
21 22	matters related to the commission's internal personnel practices and
22 23	
23 24	procedures; iii. Current, threatened or reasonably anticipated litigation;
24 25	iv. Negotiation of contracts for the purchase or sale of goods,
25 26	services or real estate;
20 27	v. Accusing any person of a crime or formally censuring any person;
28 29	vi. Disclosure of trade secrets or commercial or financial information that is privileged or confidential;
29 30	vii. Disclosure of information of a personal nature where disclosure
30 31	would constitute a clearly unwarranted invasion of personal privacy;
32	viii. Disclosure of investigatory records compiled for law enforcement
33	
33 34	<pre>purposes: ix. Disclosure of information related to any reports prepared by or on</pre>
35	behalf of the commission for the purpose of investigation of compliance
36	with this compact; or
37	<u>x. Matters specifically exempted from disclosure by federal or state</u>
38	statute.
39	b. If a meeting, or portion of a meeting, is closed pursuant to this
40	paragraph the commission's legal counsel or designee shall certify that
41	the meeting may be closed and shall reference each relevant exempting
42	provision. The commission shall keep minutes that fully and clearly
43	describe all matters discussed in a meeting and shall provide a full and
43 44	accurate summary of actions taken, and the reasons therefor, including a
45	description of the views expressed. All documents considered in
46	connection with an action shall be identified in such minutes. All
47	minutes and documents of a closed meeting shall remain under seal,
48	subject to release by a majority vote of the commission or order of a
40 49	court of competent jurisdiction.
50	<u>c. The commission shall, by a majority vote of the administrators,</u>
51	prescribe bylaws or rules to govern its conduct as may be necessary or
52	appropriate to carry out the purposes and exercise the powers of this
53	compact, including but not limited to:
55 54	i. Establishing the fiscal year of the commission;
55	ii. Providing reasonable standards and procedures:
55	(1) The the stablishest product of and procedures.

20

1	(2) Governing any general or specific delegation of any authority or

27	that is binding upon all party states.
28	c. The commission shall not incur obligations of any kind prior to

44	out of any actual or alleged act, error or omission that occurred, or
45	that the person against whom the claim is made had a reasonable basis
46	for believing occurred, within the scope of the commission's employment,
47	duties or responsibilities; provided that nothing in this paragraph
48	shall be construed to protect any such person from suit or liability for
49	any damage, loss, injury or liability caused by the intentional, willful
50	or wanton misconduct of that person.
51	b. The commission shall defend any administrator, officer, executive
52	director, employee or representative of the commission in any civil

54	act, error or omission that occurred within the scope of the commis-
55	sion's employment, duties or responsibilities, or that the person
56	against whom the claim is made had a reasonable basis for believing

1	occurred within the scope of the commission's employment, duties or
2	responsibilities; provided that nothing herein shall be construed to

4	further that the actual or alleged act, error or omission did not result
5	from that person's intentional, willful or wanton misconduct.
б	c. The commission shall indemnify and hold harmless any administrator,
7	officer, executive director, employee or representative of the commis-
8	sion for the amount of any settlement or judgment obtained against that

13	responsibilities, provided that the actual or alleged act, error or
14	omission did not result from the intentional, willful or wanton miscon-
15	duct of that person.
16	<u>§ 8908. Rulemaking. 1. Rulemaking. a. The commission shall exercise</u>
17	its rulemaking powers pursuant to the criteria set forth in this article
18	and the rules adopted thereunder. Rules and amendments shall become
19	binding as of the date specified in each rule or amendment and shall
20	have the same force and effect as provisions of this compact.
21	b. Rules or amendments to the rules shall be adopted at a regular or
22	special meeting of the commission.
23	2. Notice. a. Prior to promulgation and adoption of a final rule or
24	rules by the commission, and at least sixty days in advance of the meet-
25	ing at which the rule will be considered and voted upon, the commission
26	shall file a notice of proposed rulemaking:
27	i. On the website of the commission; and
28	ii. On the website of each licensing board or the publication in which
29	each state would otherwise publish proposed rules.
30	b. The notice of proposed rulemaking shall include:
31	i. The proposed time, date and location of the meeting in which the
32	rule will be considered and voted upon;
33	ii. The text of the proposed rule or amendment, and the reason for the
34	proposed rule;
35	iii. A request for comments on the proposed rule from any interested
36	person; and
37	iv. The manner in which interested persons may submit notice to the
38	commission of their intention to attend the public hearing and any writ-
39	ten comments.
40	<u>c. Prior to adoption of a proposed rule, the commission shall allow</u>
41	persons to submit written data, facts, opinions and arguments, which
42	shall be made available to the public.
43	<u>3. Public hearings on rules. a. The commission shall grant an opportu-</u>
44	nity for a public hearing before it adopts a rule or amendment.
45	b. The commission shall publish the place, time and date of the sched-
46 47	<u>uled public hearing.</u> <u>i. Hearings shall be conducted in a manner providing each person who</u>
48	wishes to comment a fair and reasonable opportunity to comment orally or in writing. All hearings will be recorded, and a copy will be made
49 50	
50 51	available upon request.
51 52	ii. Nothing in this section shall be construed as requiring a separate
52 52	hearing on each rule. Rules may be grouped for the convenience of the
53 E4	commission at hearings required by this section.
54 55	c. If no one appears at the public hearing, the commission may proceed
55	with promulgation of the proposed rule.

1	d. Following the scheduled hearing date, or by the close of business
2	on the scheduled hearing date if the hearing was not held, the commis-
3	sion shall consider all written and oral comments received.
4	4. Voting on rules. The commission shall, by majority vote of all
5	administrators, take final action on the proposed rule and shall deter-
б	mine the effective date of the rule, if any, based on the rulemaking
7	record and the full text of the rule.
8	5. Emergency rules. Upon determination that an emergency exists, the
9	commission may consider and adopt an emergency rule without prior
10	notice, opportunity for comment or hearing, provided that the usual
11	rulemaking procedures provided in this compact and in this section shall
12	be retroactively applied to the rule as soon as reasonably possible, in
13	no event later than ninety days after the effective date of the rule.
14	For the purposes of this provision, an emergency rule is one that must
15	<u>be adopted immediately in order to:</u>
16	<u>a. Meet an imminent threat to public health, safety or welfare;</u>
17	b. Prevent a loss of the commission or party state funds; or
18	c. Meet a deadline for the promulgation of an administrative rule that
19	is required by federal law or rule.
20	6. Revisions. The commission may direct revisions to a previously
21	adopted rule or amendment for purposes of correcting typographical
22	errors, errors in format, errors in consistency or grammatical errors.
23	Public notice of any revisions shall be posted on the website of the
24	commission. The revision shall be subject to challenge by any person for
25	a period of thirty days after posting. The revision may be challenged
26	only on grounds that the revision results in a material change to a
27	rule. A challenge shall be made in writing, and delivered to the
28	commission, prior to the end of the notice period. If no challenge is
29	made, the revision will take effect without further action. If the
30	revision is challenged, the revision may not take effect without the
31	approval of the commission.
32	§ 8909. Oversight, dispute resolution and enforcement. 1. Oversight.
33	a. Each party state shall enforce this compact and take all actions
34	necessary and appropriate to effectuate this compact's purposes and
35	intent.
36	b. The commission shall be entitled to receive service of process in
37	any proceeding that may affect the powers, responsibilities or actions
38	of the commission, and shall have standing to intervene in such a
39	proceeding for all purposes. Failure to provide service of process in
40	such proceeding to the commission shall render a judgment or order void
41	as to the commission, this compact or promulgated rules.
42	2. Default, technical assistance and termination. a. If the commission
43	determines that a party state has defaulted in the performance of its
44	obligations or responsibilities under this compact or the promulgated
45	rules, the commission shall:
46	i. Provide written notice to the defaulting state and other party
47	states of the nature of the default, the proposed means of curing the
48	default or any other action to be taken by the commission; and
49	ii. Provide remedial training and specific technical assistance
50	regarding the default.
51	b. If a state in default fails to cure the default, the defaulting
52	state's membership in this compact may be terminated upon an affirmative
53	vote of a majority of the administrators, and all rights, privileges and
54	benefits conferred by this compact may be terminated on the effective
55	date of termination. A cure of the default does not relieve the offend-

1	ing state of obligations or liabilities incurred during the period of
2	default.
3	c. Termination of membership in this compact shall be imposed only
4	after all other means of securing compliance have been exhausted. Notice
5	of intent to suspend or terminate shall be given by the commission to
6	the governor of the defaulting state and to the executive officer of the
7	defaulting state's licensing board and each of the party states.
8	d. A state whose membership in this compact has been terminated is
9	responsible for all assessments, obligations and liabilities incurred
10	through the effective date of termination, including obligations that
11	extend beyond the effective date of termination.
12	e. The commission shall not bear any costs related to a state that is
13	found to be in default or whose membership in this compact has been
14	terminated unless agreed upon in writing between the commission and the
15	defaulting state.
16	f. The defaulting state may appeal the action of the commission by
17	petitioning the U.S. District Court for the District of Columbia or the
18	federal district in which the commission has its principal offices. The
19	prevailing party shall be awarded all costs of such litigation, includ-
20	ing reasonable attorneys' fees.
20	<u>3. Dispute resolution. a. Upon request by a party state, the commis-</u>
22	sion shall attempt to resolve disputes related to the compact that arise
	among party states and between party and non-party states.
23	
24	b. The commission shall promulgate a rule providing for both mediation
25	and binding dispute resolution for disputes, as appropriate.
26	c. In the event the commission cannot resolve disputes among party
27	states arising under this compact:
28	i. The party states may submit the issues in dispute to an arbitration
29	panel, which will be comprised of individuals appointed by the compact
30	administrator in each of the affected party states, and an individual
31	mutually agreed upon by the compact administrators of all the party
32	states involved in the dispute.
33	ii. The decision of a majority of the arbitrators shall be final and
34	binding.
35	4. Enforcement. a. The commission, in the reasonable exercise of its
36	discretion, shall enforce the provisions and rules of this compact.
37	b. By majority vote, the commission may initiate legal action in the
38	U.S. District Court for the District of Columbia or the federal
39	district in which the commission has its principal offices against a
40	party state that is in default to enforce compliance with the provisions
41	of this compact and its promulgated rules and bylaws. The relief sought
42	may include both injunctive relief and damages. In the event judicial
43	enforcement is necessary, the prevailing party shall be awarded all
44	costs of such litigation, including reasonable attorneys' fees.
45	c. The remedies herein shall not be the exclusive remedies of the
46	commission. The commission may pursue any other remedies available under
47	federal or state law.
48	§ 8910. Effective date, withdrawal and amendment. 1. Effective date.
49	a. This compact shall become effective and binding on the earlier of
50	the date of legislative enactment of this compact into law by no less
51	than twenty-six states or the effective date of the chapter of the laws
52	of two thousand twenty-two that enacted this compact. Thereafter, the
53	compact shall become effective and binding as to any other compacting
53 54	state upon enactment of the compact into law by that state. All party
54 55	states to this compact, that also were parties to the prior nurse licen-
55 56	sure compact, superseded by this compact, (herein referred to as "prior
00	Sure compact, superseded by this compact, therein referred to as "prior

1	<u>compact"), shall be deemed to have withdrawn from said prior compact</u>
2	within six months after the effective date of this compact.
3	b. Each party state to this compact shall continue to recognize a
4	nurse's multistate licensure privilege to practice in that party state
5	issued under the prior compact until such party state has withdrawn from
6	the prior compact.
7	2. Withdrawal. a. Any party state may withdraw from this compact by
8	enacting a statute repealing the same. A party state's withdrawal shall
9	not take effect until six months after enactment of the repealing stat-
10	<u>ute.</u>
11	b. A party state's withdrawal or termination shall not affect the
12	continuing requirement of the withdrawing or terminated state's licens-
13	ing board to report adverse actions and significant investigations
14	occurring prior to the effective date of such withdrawal or termination.
15	c. Nothing contained in this compact shall be construed to invalidate
16	or prevent any nurse licensure agreement or other cooperative arrange-
17	ment between a party state and a non-party state that is made in accord-
18	ance with the other provisions of this compact.
19	3. Amendment. a. This compact may be amended by the party states. No
20	amendment to this compact shall become effective and binding upon the
21	party states unless and until it is enacted into the laws of all party
22	states.
23	b. Representatives of non-party states to this compact shall be
24	invited to participate in the activities of the commission, on a nonvot-
25	ing basis, prior to the adoption of this compact by all states.
26	§ 8911. Construction and severability. 1. Construction and severabil-
27	ity. This compact shall be liberally construed so as to effectuate the
28	purposes thereof. The provisions of this compact shall be severable, and
29	if any phrase, clause, sentence or provision of this compact is declared
30	to be contrary to the constitution of any party state or of the United
31	States, or if the applicability thereof to any government, agency,
32	person or circumstance is held to be invalid, the validity of the
33	remainder of this compact and the applicability thereof to any govern-
34	ment, agency, person or circumstance shall not be affected thereby. If
35	this compact shall be held to be contrary to the constitution of any
36	party state, this compact shall remain in full force and effect as to
37	the remaining party states and in full force and effect as to the party
38	state affected as to all severable matters.
39	§ 3. This act shall take effect immediately. Effective immediately,
40	the addition, amendment and/or repeal of any rule or regulation neces-

41 sary for the implementation of this act on its effective date are 42 authorized to be made and completed on or before such effective date.
