# WHAT IS F.A.M.?

Fun At Mills (F.A.M.) is an initiative to create an inviting school culture and environment for all students at Mills!

The goal is to put together engaging activities during lunch to create a fun and social environment for the students.

The team is comprised of Ms. Aya (Mental Health Specialist), Mr. Mejia (School Counselor), Ms. Renth (Leadership Teacher) & Ms. Romero (School Counselor)

# Why did we create F.A.M.?

- When students returned to school from the pandemic, we noticed they were lacking social skills & were tentative to interact with their peers.
- We wanted to create a safe, fun, and social culture at Mills where students can connect with their peers in a positive way!

# Student Impact

- Students at Mills are ***really enjoying*** F.A.M.
- Majority of students participate in lunch time activities.
- Students are smiling more and connecting again.
- On days we do F.A.M. students are interacting in a safe, fun, and positive way.

# Conclusion

"Connection is the energy that exists between people when they feel seen, heard and valued; when they can give and receive without judgement; and when they derive sustenance and strength from the relationship."

~Brené Brown
