

- 1) Log into flowbirdapp.com on your web browser or locate the Flowbird app through your mobile.

The image shows the Flowbird website header with navigation links: Home, Parking, Locations, The App, and Professional. A search icon is visible in the top right. The main content area features the text "Easier Safer Faster." followed by three bullet points: "No more cash needed", "Pay from anywhere! Avoid parking fines", and "No more waiting in line at the parking meter". Below this, it states "Flowbird allows you to pay for parking in 3 simple steps:" followed by a list: "1. Select Location", "2. Choose Duration", and "3. Confirm Payment". To the right, a smartphone displays the app's "Parking" screen, which includes a circular timer showing "17:30 Feb 11, 2019" and "\$4.25", with a "CONFIRM" button at the bottom.

Benefits of flowbird:

- Get fast and free access to the easy-to-use parking app.
- GPS is used to automatically identify where you are parked.
- Receive smart notifications during your parking sessions.
- Pay only for the actual parking time.

- 2) Add your vehicle's license plate information; click on *Next*.
- 3) Select one of the kiosks pinned on the UNF campus within the map screen; click on the arrow to proceed.

- 4) To enter an event validation code, please select *Redeem a code*, located at the top of the screen. Then enter the code and click on *OK*. Please remember you can only enter the code successfully on the day of the event.

- 5) The time duration of the event code will be auto-populated; click on *Purchase* at the bottom of the screen.
