Parent App Login Directions

Summer 2021

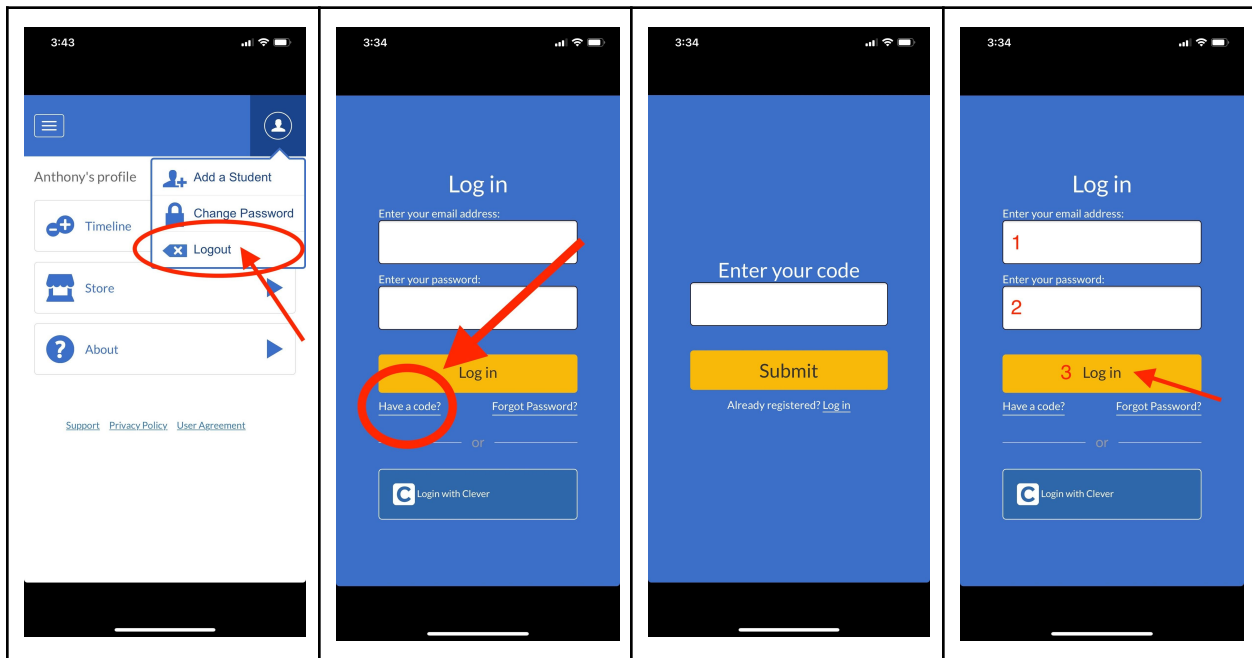

Hello LiveSchool Parent! We are excited to help you stay connected to your student's school day this year. Please follow the directions below to sign up for your parent app!

Sign up for the Parent App

First, if you used the LiveSchool Parent App last year, you will get a new parent code for this year. Reach out to your school if you do not have a new code for the 21-22 school year yet!

From your phone or computer,

1. Open the app on your computer (parent.liveschoolinc.com) or phone ([iOS](#) or [Android](#))
2. If you had an account last year, **Log out** of the app by clicking the person icon in the top right corner
3. Click "Have a Code?"
4. Enter your **new parent code** and hit Submit
5. Enter in your email and password (if you used LiveSchool last year, you can use the same email address and password) and press "Log in"
