

Key Holder Project

Time: 1-2 hours

Age Level: age 5 and up

Materials:

-1-1" x 4" x 12"

-4 cup hooks

-Fine sandpaper

-Paint and brush

-any other available craft materials

-1/4" drill bit

-Drill

Procedure:

- 1. Take board and make a line 1" from the edge of one of the lengths.
- 2. Make 4 dots 2 ½" apart along the line.
- 3. Drill a hole $\frac{1}{2}$ " deep on the back of the board near the top (at least $\frac{3}{4}$ " from the top). This will be used to hang the key holder on either a hook or nail.
- 4. Sand the key holder.
- 5. Paint or varnish the wood and let dry. Be creative and decorate.
- 6. Screw the cup hooks into the board at each dot.
- * Keep in mind that you can make the key holder as big or small as you want.
