

JCCC Student Sustainability Committee Member Application

The Student Sustainability Committee (SSC) of JCCC is charged with allocating the Sustainability Initiatives Fund, comprised of a \$1 per credit hour contribution from the student body for the advancement toward a more sustainable campus. There are thirteen voting student members of the SSC, which are advised by faculty members and Center for Sustainability staff. The student members of the SSC hold privileged seats and are depended upon to represent the JCCC student body and to make important decisions about a positive and sustainable future for JCCC's campus.

Commitment:

SSC meets bi-weekly throughout the academic year. Members are required to attend regularly scheduled meetings. Please review the committee [Bylaws](#) to ensure that you are willing and able to uphold a commitment to the SSC.

Available seats on the SSC are filled in April of each year for the following academic year. Occasionally, seats will open up mid-year if a member is unable to fulfill their commitment; this seat will be then be offered to applicants on file. If you are interested in joining the SSC please complete the request for information below and send to sustainability@jccc.edu.

Application:

In a Word document, please provide the following information:

- Name:
- Email:
- Phone Number(s):
- Area of Study (or degree intent if any):
- Career interest or goals (if any):
- Campus Involvement (if any):
- Are you able to commit to serving on SSC for the next full academic year?
- Describe your personal connection to or interest in sustainability and/or environmental issues.
- What would you hope to get out of your experience serving on the SSC?
- What would a sustainable JCCC look to you? (You may choose to focus on one or many issues.)
