

Scholarship fund

HELP STUDENTS GET THE EDUCATION THEY NEED

Scholarships change lives. Your fund could support students from your community or who are entering certain fields, or be open to any qualified applicant. As the largest provider of student aid in the state, the Foundation receives thousands of high-quality applications every year. We will find the right match for you.

A scholarship fund is the right fund for you if you want to:

- Help New Hampshire students who show great potential but have limited resources to pay for their education — from a trade certificate or credential to a two- or four-year degree.
- Rely on the Foundation's Student Aid team to process all applications, select recipients and administer scholarships, within the parameters you select. You can focus your scholarship fund to help students of any age, from a specific town, region or high school — or for those going to a particular school or type of school.
- Help students who are training in the trades, or pursuing certifications in emerging technical sectors and other high-growth occupations by establishing a Medallion Scholarship Fund. These scholarships help cover costs for certificates, licensing, apprenticeships and two-year college degrees.
- Ensure that your charitable gift will continue to serve New Hampshire students forever.
- Have your fund's name included in scholarship award letters or choose to give anonymously.
- Make additional tax-deductible gifts of any amount into your fund at any time. You can also invite others to contribute to your fund.
- Choose how you want your charitable gift invested, with returns going back into the fund for future scholarship awards.

Each year, grant distributions will be made from the fund using the Foundation's charitable disbursement rate.

The minimum contribution to establish a scholarship fund is \$25,000.
