3. CUSTOMER ACCESS TO MARKET DATA

(a) **DIRECT ACCESS** - Customer may receive one or more Types of Market Data through direct access to (i.e., through direct computer-to-computer interface(s) with) the Transmission Facilities.

(b) **INDIRECT ACCESS** - Customer may receive one or more Types of Market Data through Indirect Access to the Transmission Facilities through an intermediary. However, Customer may do so only after NYSE notifies the intermediary in writing of NYSE's approval.

(c) **ACCESS SPECIFICATIONS AND EXPENSES** - Customer may receive one or more Types of Market Data as Paragraphs 3(a) and 3(b) provide solely as and to the extent described, and in the manner specified, in Exhibit A. Where Customer adds, deletes or substitutes either any intermediary or any means of access (i.e., either direct access or Indirect Access), NYSE must first approve the addition, deletion or substitution and any related changes as Paragraph 6 describes. Except as NYSE may explicitly undertake, no Authorizing SRO is responsible for any cost or expense, or for providing any circuit, necessary for Customer to receive or transmit Market Data.

4. SRO MODIFICATIONS - Upon as much notice as is reasonably practicable under the circumstances, the Authorizing SROs, without liability to Customer or to any other person, (a) may discontinue disseminating any or all Types of Market Data either at all or in any particular manner, (b) may change or eliminate any circuit(s) carrying any or all Types of Market Data, (c) may discontinue converting any or all Types of Market Data into electrical signal form and/or (d) may change the speed or any other characteristic of the electrical signals representing any or all Types of Market Data.

5. CUSTOMER USE OF MARKET DATA

(a) **PERMITTED USE OF DATA** - Customer may receive and use a Type of Market Data pursuant to this Agreement solely as and to the extent described, and in the manner specified, in Exhibit A and the Policies. Except as this Paragraph 5 describes, any redissemination or other use of that Type of Market Data is prohibited. Where NYSE has authorized Customer to provide one or more, but not all, Types of Market Data to a Data Recipient, Customer shall inhibit the provision of the unauthorized Type(s) of Market Data in the manner Exhibit A describes.

(b) **SUBSCRIBER SERVICES** - Customer may provide one or more Type(s) of Market Data to a Subscriber through a Subscriber Service solely as described and in the manner specified in Exhibit A and only pursuant to such one or more of the following requirements as NYSE specifies:

- (i) if NYSE has notified Customer (by such means as NYSE may specify) that the person has entered into an appropriate agreement with NYSE that authorizes the person to receive and use the Type(s) of Market Data; or
- (ii) while the person is a party to an effective agreement with Customer that includes terms and conditions in the form attached to this Agreement as Exhibit B (if any); or
- (iii) Customer's compliance with such alternative or additional Subscriber Service requirements as NYSE may from time to time approve in writing.

Where Customer provides a Subscriber Service pursuant to clause (ii) or (iii) of this Paragraph 5(b), Customer shall assure that it has the ability to modify its agreements with Subscribers, and any alternative subscriber requirements, as NYSE may from time to time specify. Customer shall effect any such modification promptly, except that Customer may continue to provide a Subscriber Service to any existing Subscriber without effecting the modification for 90 days from that receipt. Customer shall discontinue its provision thereafter if the Subscriber has not agreed to the modification(s). Customer shall promptly describe to NYSE any breach by a Subscriber of the NYSE-prescribed portions of Customer's agreements with the Subscriber, or of NYSE-prescribed alternative subscriber requirements, about which it may learn. Customer shall not in any way amend, supplement, or otherwise modify NYSE-prescribed provisions or requirements or vitiate those provisions or requirements by any collateral agreement or understanding, except as NYSE may otherwise agree in writing.

(c) **INDIRECT ACCESS SERVICES** - NYSE will determine in its sole discretion whether the manner in which Customer intends to provide one or more Types of Market Data to other persons constitutes an Indirect Access Service. Customer may provide an Indirect Access Service solely as described and in the manner specified in Exhibit A. Customer shall not provide any person with an Indirect Access Service unless NYSE has notified Customer that the person has entered into an appropriate agreement with NYSE authorizing the Indirect Access. Customer shall promptly notify NYSE whenever any person commences or ceases to receive an Indirect Access Service.

(d) **DELAYED LAST SALE PRICE INFORMATION SERVICES** - If Customer elects to provide Delayed Last Sale Price Information Services (as described, and in the manner specified, in Exhibit A), Customer shall:

- (i) comply with any contract and fee collection requirements that NYSE may specify from time to time as to persons receiving Delayed Last Sale Price Information;
- (ii) assure that each display of Delayed Last Sale Price Information conspicuously exhibits a statement indicating that the information has been delayed and the duration of the delay; and
- (iii) assure that any advertisement, sales literature or other material promoting any Delayed Last Sale Price Information Service, and any agreement for that Service, includes such a statement in a conspicuous manner.

Customer shall assure that the statement is effected in the form and manner Exhibit A describes and in a manner that makes it readily visible to any person viewing the display or promotional material. In addition, Customer shall comply, and shall use its best efforts to cause Subscribers to comply, with any other reasonable regulation that NYSE may adopt from time to time to assure that viewers of Delayed Last Sale Price Information are not misled as to its nature.

(e) **SECURITIES PROFESSIONAL EXCEPTION** - Insofar as (i) NYSE determines that Customer is a securities professional (such as a registered broker-dealer or investment adviser) and (ii) Exhibit A does not otherwise permit Customer to provide Market Data to a particular person or branch office, Customer, solely in the regular course of its securities business, may occasionally furnish limited amounts of Market Data to its customers and clients and to its branch offices. Customer may do so notwithstanding anything to the contrary in this Paragraph 5 and subject to such additional limitations as NYSE may specify in writing. Customer may so furnish Market Data to its customers and clients who are not on Customer's premises solely (i) in written advertisements, educational material, sales literature or similar written communications or (ii) during telephone conversations not entailing the use of computerized voice synthesization, other electronic communication or similar technology. Customer may so furnish Market Data to its branch offices solely (i) as the preceding sentence permits or (ii) through manual entry over its communications network. Customer shall not permit any customer or client to take physical possession of any component of the equipment and software used for or in connection with any Service, except as Exhibit A may otherwise provide.

(f) **PERMITTED CONNECTIONS OF TICKER DISPLAY DEVICES** - Customer may connect approved Ticker Display devices to the Transmission Facilities solely (i) for persons, and at locations, that NYSE has approved for that purpose and (ii) as described and in the manner specified in Exhibit A. Customer shall assure that any Ticker Display device complies with all NYSE requirements for content, format and timeliness.

6. SERVICE AND SECURITY VARIATIONS AND SUPPLEMENTS - Customer shall submit for NYSE's approval a description of any proposed, non-trivial variation or supplement to or deletion from any receipt, dissemination, other use or display of Market Data or to any Market Data security safeguard. Customer shall not implement any such variation, supplement or deletion unless NYSE approves its description in writing, whereupon Exhibit A shall incorporate the description. Customer understands that NYSE may not approve a proposed variation, supplement or deletion and that it acts at its own risk if any significant effort is expended in development prior to NYSE's approval. Customer further understands that an approved variation or supplement may be subject to one or more additional or substituted charges payable pursuant to Paragraph 10.

PART II: SECURITY

7. TRANSMISSION AND EQUIPMENT SECURITY

(a) **PROTECTION OF TRANSMISSIONS AND EQUIPMENT** - Customer shall assure that Service-related data processing, transmission and communications equipment and software are arranged and protected so that, so far as reasonably possible, no person can have unauthorized access to Market Data.

(b) SECURITY BREACHES AND REVISION - Customer shall assure that the security safeguards that Exhibit A describes are enforced. If, in its sole discretion, NYSE determines that one or more persons have unauthorized access to Market Data, Customer shall, in accordance with Paragraph 6, take all steps necessary to alter the security safeguards and the manner of its receipt or transmission of Market Data so as to preclude the access. Customer shall provide NYSE with such evidence as NYSE may request regarding the adequacy of those steps. If NYSE determines those steps to be inadequate, Customer shall promptly comply with any writing instructing Customer to discontinue transmitting Market Data by the inadequately-safeguarded means.

(c) INSPECTION - Customer shall assure that any person authorized in writing by NYSE has access, at any reasonable time, to any premises of Customer, any Customer Affiliate, any Service Facilitator or any person to whom Customer provides Market Data. In the presence of officials in charge of the premises, the authorized person may (i) examine any component of equipment and software used for the purposes of this Agreement and located at the premises and (ii) observe the use of Market Data and all operations located or conducted at the premises, but solely to monitor compliance with this Agreement. This Paragraph 7(c) does not require Customer to disclose any proprietary information other than as Exhibit A discloses.

8. SERVICE FACILITATORS AND CUSTOMER AFFILIATES

(a) SERVICE FACILITATORS - NYSE will determine in its sole discretion whether any person assisting Customer for the purposes of this Agreement is a “Service Facilitator” and, therefore, is excused from entering into a separate agreement with NYSE. NYSE will base its determination upon such criteria as (i) the nature and quantity of the Service-related functions that the person performs and (ii) the extent to which Customer owns, or is under common ownership with, the person. Customer shall not permit any person other than a common carrier to assist Customer in providing or performing any aspect of the Service unless (i) NYSE has determined the person to be a “Service Facilitator” and the person is acting in accordance with, and in the manner specified, in Exhibit A or (ii) the person has entered into an agreement with NYSE governing the assistance.

(b) CUSTOMER AFFILIATES - NYSE will determine in its sole discretion whether any “control relationship” between Customer and any person qualifies the person as a “Customer Affiliate” for the purposes of this Agreement. Subject to the charges to which Paragraph 10(a) refers and to the other applicable provisions of this Agreement, Customer may provide any Subscriber Service to partners or officers and employees of Customer Affiliates. For that purpose, any such partner, officer or employee is deemed “a partner, officer or employee of Customer”.

(c) CUSTOMER’S GUARANTEE - Customer unconditionally guarantees that each Service Facilitator and Customer Affiliate (i) will fully comply with the provisions of this Agreement that protect against unauthorized access to Market Data, that relate to installation, maintenance and inspection, or that otherwise apply in respect of the Service Facilitator or Customer Affiliate to the same extent as if it had entered into this Agreement and (ii) will not cause Customer to fail to comply with this Agreement. Customer shall inform each Service Facilitator and Customer Affiliate of all relevant provisions of this Agreement and shall promptly provide NYSE with a full description whenever it learns that a Service Facilitator or Customer Affiliate has failed to so comply or has caused Customer to fail to comply.

(d) CURE AND DISCONTINUANCE OF ACCESS - Whenever NYSE notifies Customer in writing that it has determined that a Service Facilitator or Customer Affiliate has failed to act in accordance with, or in the manner specified in, this Agreement, Customer shall promptly cure the breach or rectify the failure. If NYSE so instructs, Customer shall discontinue giving Market Data access to the partners, officers and employees of the Customer Affiliate, or using the Service Facilitator, under this Agreement.

9. COOPERATION AS TO UNAUTHORIZED RECEIPT

(a) PREVENTION AND DISCOVERY - Customer shall use best efforts to assure that no “Unauthorized Recipient” obtains Market Data from Customer or from equipment and software that Customer uses for the Services. As to any Type of Market Data, an “Unauthorized Recipient” is any person other than a Data Recipient, Customer Affiliate or Service Facilitator in its authorized access to that Type of Market Data. If an Unauthorized Recipient does so obtain Market Data, Customer shall use its best efforts to ascertain the source and manner of acquisition, shall fully and promptly brief NYSE, and shall promptly pay the applicable amounts described in Paragraph 10. Customer shall otherwise cooperate and assist in any investigation relating to any unauthorized receipt of Market Data made available pursuant to this Agreement.

(b) **CUSTOMER COOPERATION AND ASSIGNMENT** - Any one or more Authorizing SROs may sue or otherwise proceed against any Unauthorized Recipient, including suing or proceeding to prevent the Unauthorized Recipient from obtaining, or from using, any Type of Market Data that it or they make available. If any one or more Authorizing SROs institute any suit or other proceeding against the Unauthorized Recipient, Customer, unless made a defendant in the suit or proceeding,

- (i) shall assure that it and Customer Affiliates and Service Facilitators (if any) cooperate with and assist the Authorizing SRO(s) in the suit or proceeding in all reasonable respects, provided that the Authorizing SRO(s) reimburse Customer for reasonable out-of-pocket expenses; and
- (ii) if the one or more Authorizing SROs so elect in writing, shall assure that all of Customer's, Customer Affiliates' and Service Facilitators' right, title and interest in the suit or proceeding and in its subject matter will be assigned to the Authorizing SRO(s).

If the one or more Authorizing SROs elect the assignment, it or they shall indemnify, hold harmless and defend Customer against any cost, liability or expense (including reasonable attorneys' fees) that arises out of or results from the suit or proceeding.

(c) **THIRD PARTY SUITS AGAINST CUSTOMER** - If any person brings a suit or other proceeding to enjoin Customer, any Customer Affiliate or any Service Facilitator from refusing to furnish any Type of Market Data to any Unauthorized Recipient, Customer shall promptly notify NYSE. The Authorizing SRO(s) that make that Type of Market Data available may intervene in the suit or proceeding in the name of Customer, the Customer Affiliate or the Service Facilitator, as appropriate, and, through counsel chosen by the intervening Authorizing SRO(s), may assume the defense of the action on behalf of Customer, the Customer Affiliate or the Service Facilitator. Intervening Authorizing SROs shall jointly and severally indemnify, hold harmless and defend Customer against any loss, liability or expense (including reasonable attorneys' fees) that arises out of or results from the suit or proceeding.

(d) **WITHDRAWAL OF RECIPIENT APPROVAL** - If NYSE notifies Customer in writing that the Authorizing SRO(s) have terminated the right of any authorized recipient to receive any Type of Market Data, Customer (i) shall cease furnishing that Type of Market Data to the person within five business days of the notice and (ii) shall, within ten business days, confirm the cessation, and inform NYSE of the cessation date, by notice.

(e) **CUSTOMER INDEMNIFIED** - If Customer refuses to furnish, or to continue to furnish, to any person any Type of Market Data solely because NYSE has notified Customer in writing that the Authorizing SRO(s) do not authorize, or no longer authorize, the person to receive that Type of Market Data, the Authorizing SRO(s) shall jointly and severally indemnify, hold harmless and defend Customer from and against (i) any suit or other proceeding that arises from the refusal and (ii) any liability, loss, cost, damage or expense (including reasonable attorneys' fees) that Customer incurs as a result of the suit or proceeding. The Authorizing SRO(s) shall have sole control of the defense of any such suit or proceeding and of all negotiations for its settlement or compromise. Customer's prompt notice to NYSE of any such suit or proceeding is a condition to Customer's rights under this Paragraph 9(e). Those rights do not apply when Customer ceases to furnish Market Data to a person, or in a manner, not authorized by NYSE.

PART III: PAYMENTS, RECORDS AND REPORTS

10. PAYMENTS

(a) **GENERAL CHARGES** - Customer shall pay NYSE in United States dollars one hundred percent (100%) of the applicable charge(s) from time to time in effect, without any deductions whatever. The NYSE or the Authorizing SROs will provide Customer with 30 days' notice of any changes in the charge(s) payable by Customer. Customer shall pay any amounts due in accordance with such procedures, and within such time parameters, as NYSE may specify from time to time and shall assume full and complete responsibility for the payment of any taxes, charges or assessments imposed on Vendor, Subscribers, Authorizing SROs or NYSE (excluding any taxes, if any, imposed on the net income of NYSE or any Authorizing SRO in respect of any such amount) by any foreign or domestic national, state, provincial or local governmental bodies, or subdivisions thereof, and any penalties or interest, relating to the provision of the Market Data. In addition, if Vendor or Subscribers, respectively, are required by applicable law to deduct or withhold any such tax, charge or assessment from the amounts due NYSE under this Agreement, then the amounts due under this Agreement shall be increased so that the net amount actually received by NYSE after the deduction or withholding of any such tax, charge or assessment will equal one hundred percent (100%) of the appropriate charges then in effect.

(b) **CHARGES FOR UNAUTHORIZED INSTALLATIONS** - If NYSE notifies Customer that it has determined in its sole discretion that Customer has made any unauthorized or unreported provision or use of Market Data made available to Customer under this Agreement (including the improper receipt described in Paragraph 10(d)), Customer shall pay (i) any applicable charge(s) that would have been imposed on Customer, a Data Recipient or an Unauthorized Recipient in respect of a provision or use, whether by Customer or by a Data Recipient or Unauthorized Recipient, had it been authorized or reported and (ii) an administrative fee equal to ten percent of those charges. Customer's payment obligations apply regardless of whether a person responsible for an unauthorized provision or use received the Market Data from Customer directly or from a person in the chain of dissemination that began with an unauthorized provision or use by Customer. The Authorizing SROs reserve the right to recover punitive damages for any deliberate breach of good faith and the like.

(c) **INTEREST ON UNPAID AMOUNTS** - If Customer has not paid any amounts payable pursuant to Paragraph 10(a) within the applicable time parameters, Customer shall pay interest on the unpaid amount. That interest begins to accrue on the 31st day after the payment's due date. Customer shall also pay interest in respect of amounts payable pursuant to Paragraph 10(b)(i). That interest begins to accrue as of the date on which the amount would have been payable had the provision or use of Market Data been properly authorized or reported. The interest payable under this Paragraph 10(c) will equal the lesser of (i) one and one-half percent per month and (ii) the maximum rate of interest that applicable law permits.

(d) **SUBROGATION AND RETURNS** - If Customer has paid all amounts due in respect of any Unauthorized Recipient (i) Customer becomes subrogated to all rights of the Authorizing SROs to recover amounts from the Unauthorized Recipient and (ii) NYSE will return to Customer any amounts subsequently received from the Unauthorized Recipient, less any associated collection and administrative expenses.

11. RECORDS AND REPORTS

(a) **RECORDS MAINTENANCE AND PRESERVATION** - Customer shall maintain such billing records, entitlement and other reports, information, subscriber agreements and other documents as NYSE may reasonably require from time to time to permit the Authorizing SROs to bill for applicable charges and to monitor compliance with this Agreement. Customer shall have the ability to retrieve each such item as it applies to any NYSE-specified criterion, such as a particular Service, Data Recipient, location or account number. Customer shall preserve each such item for not less than three years.

(b) **ACCESS TO RECORDS** - During the term of this Agreement and for three years thereafter, Customer shall assure that any authorized representative of NYSE is able (i) to examine Customer's books and records relating to the Services (including, among other items, the items Customer must maintain pursuant to Paragraph 11(a)), (ii) to copy those books and records and extract information from them and (iii) to otherwise perform any auditing functions necessary to verify Customer's compliance with this Agreement.

(c) **REPORTING** - NYSE may from time to time require Customer to furnish or report all or some of the items that Paragraph 11(a) requires Customer to maintain. Customer understands that NYSE may require Customer (i) to so furnish or report some or all of those items upon occurrences of specified events and/or on a periodic basis and (ii) to provide detailed summaries. At the request of NYSE, Customer shall have audited, by an independent certified public accountant satisfactory to NYSE, a list of all Data Recipients and any other reasonably requested list, report or information relating to Customer's redissemination or other use of Market Data. Customer shall comply with this Paragraph 11(c) by such methods, in such format and within such time parameters as NYSE may reasonably specify.

(d) **RELIABILITY OF CUSTOMER'S RECORDS** - Customer shall use its best efforts (including the insertion of appropriate terms in Customer's agreements with Data Recipients, Customer Affiliates and Service Facilitators) to assure that Customer is supplied with timely, complete and accurate information so that Customer, in complying with this Paragraph 11, maintains and supplies NYSE with timely, complete and accurate information. Those efforts shall include the use of such entitlement controls as Exhibit A may describe.

PART IV: PROVISIONS OF GENERAL APPLICABILITY

12. NYSE CAPACITIES - In respect of Network A Last Sale Price Information and Network A Quotation Information, NYSE acts, and receives payments, information and notices, under this Agreement in the one or more capacities for which the Plans provide. In respect of NYSE Market Information, NYSE so acts or receives solely on its own behalf. In respect of Other Market Information, NYSE so acts or receives on behalf of the Network A Participants or Other Data Disseminators that make that information available.

13. PROHIBITED USE AND PATENT INDEMNIFICATION - Customer shall indemnify, hold harmless and defend each Disseminating Party from and against any suit or other proceeding at law or in equity, claim, liability, loss, cost, damage, or expense (including reasonable attorneys' fees) incurred by or threatened against the Disseminating Parties that arises out of or relates to

- (a) any use of Market Data other than as this Agreement provides by Customer, a Customer Affiliate or a Service Facilitator, or
- (b) any claim that either any component of the equipment and software used for the purposes of this Agreement (excluding any equipment and software Customer or Service Facilitators (if any) do not supply, install or make available to, or operate or maintain for, a Data Recipient) or the manner of the use made of the component or of Market Data provided pursuant to this Agreement infringes any United States or foreign patent or copyright or violates any other property right.

NYSE's provision to Customer of prompt written notice of the suit or proceeding is a condition to Customer's obligations under the preceding sentence. Customer shall have sole control of the defense of the suit or proceeding and all negotiations for its settlement or compromise.

14. DATA NOT GUARANTEED - The Disseminating Parties do not guarantee the timeliness, sequence, accuracy or completeness of Market Data made available, or of other market information or messages disseminated, by any Disseminating Party. No Disseminating Party will be liable in any way to Customer or to any other person for

- (a) any inaccuracy, error or delay in, or omission of, (i) any such data, information or message, or (ii) the transmission or delivery of any such data, information or message, or
- (b) any loss or damage arising from or occasioned by (i) any such inaccuracy, error, delay or omission, (ii) non-performance, or (iii) interruption in any such data, information or message,

due either to any negligent act or omission by any Disseminating Party or to any "Force Majeure" (i.e., any flood, extraordinary weather conditions, earthquake or other act of God, fire, war, insurrection, riot, labor dispute, accident, action of government, communications or power failure, or equipment or software malfunction) or any other cause beyond the reasonable control of any Disseminating Party.

15. NO SPONSORSHIP - Customer shall assure that neither Customer nor any Customer Affiliate or Service Facilitator represents, either directly or indirectly, that any Disseminating Party sponsors or endorses in any manner Customer, any other person, any particular use of Market Data or any equipment and software.

16. ARBITRATION - The parties shall settle any controversy or claim arising out of or relating to this Agreement, or to its breach or alleged breach, by arbitration in New York, New York under the Commercial Arbitration Rules of the American Arbitration Association. The arbitrator(s) may issue injunctive and other equitable relief, but may not modify this Agreement. Either party may enter in any court having jurisdiction judgment upon any award that the arbitrator(s) render. For the purposes of so entering any such judgment, each party submits to the jurisdiction of the courts of the State of New York. Nothing in this Paragraph 16 derogates any right Customer, any Authorizing SRO, or any other person may have to appeal to the Securities and Exchange Commission any action taken or any failure to act under the 1934 Act, or any of its rules, or to pursue any claim relating to the unauthorized publication or use of communications under the Communications Act of 1934, as amended, at any time, whether before or after the commencement of any arbitration proceeding.

17. EFFECTIVE DATE AND TERMINATION - Upon its execution by each party, this Agreement becomes effective as of the date first above written. Upon becoming effective, this Agreement supersedes each previous agreement between the parties relating to any receipt or use of Market Data that Exhibit A describes. This Agreement continues in effect until terminated as this Paragraph 17 provides. Subject to Paragraph 4, either Customer or NYSE may terminate this Agreement as to one or more Types of Market Data on 30 days' written notice to the other. In addition, this Agreement terminates upon NYSE's withdrawal from the Plans. NYSE shall give Customer 30 days' written notice of any such withdrawal. Insofar as Customer receives access to Transmission Facilities by means of one or more interfaces with one or more intermediaries, this Agreement terminates as to that access immediately upon written notice from NYSE that it no longer approves the interface(s). Paragraphs 8(c), 9, 10, 11, 13, 14 and 16 survive the termination of this Agreement in general or as to any Type(s) of Market Data. They also survive any Network A Participant's withdrawal from either Plan as those paragraphs apply to any matter arising prior to the withdrawal.

18. PROVISION OF SERVICE TO NYSE - Upon request by NYSE, Customer shall provide to NYSE, free of charge, one subscription to such one or more of Customer's Services as the request may identify, together with the equipment necessary to receive, display or communicate the Service(s). NYSE shall use such subscription solely for purposes of demonstrating the Service(s) and monitoring Customer's compliance with this Agreement.

19. MISCELLANEOUS

(a) ENTIRE AGREEMENT - Exhibit C, if any, contains additional provisions applicable to any non-standard aspects of Customer's receipt and use of Market Data. This Agreement incorporates Exhibit C. This writing, Exhibit A, Exhibit B, Exhibit C and the Policies contain the entire agreement between the parties in respect of their subject matter. No oral or written collateral representation, agreement or understanding exists except as this Agreement may otherwise provide.

(b) MODIFICATIONS - In keeping with Paragraph 19(g), NYSE may, by written notice to Customer, modify this Agreement as necessary to cause this Agreement to comply, or to be consistent, with any modification to or replacement of the 1934 Act, the rules under the 1934 Act, or either Plan. Subject to Paragraphs 5(d) and 6, neither party may otherwise modify this Agreement except pursuant to a writing signed by or on behalf of each of them.

(c) ASSIGNMENTS - Customer may not assign this Agreement, in whole or in part, without the written consent of NYSE.

(d) INDIRECT ACTS PROHIBITED - In prohibiting Customer from doing any act, this Agreement also prohibits Customer from doing the act indirectly (e.g., by causing or permitting another person to do the act).

(e) REASONABLENESS STANDARD - This Agreement requires or authorizes NYSE and other Authorizing SROs to provide notices and approvals, to make requests and determinations, to impose and specify requirements, and otherwise to act, in respect of a variety of matters. The Authorizing SROs shall perform those acts in a reasonable manner.

(f) GOVERNING LAW - The laws of the State of New York govern this Agreement. It shall be interpreted in accordance with those laws.

(g) ACT AND PLAN APPLICABILITY - This Agreement and the Services are subject at all times to the 1934 Act, the rules under the 1934 Act and the Plans.

20. NOTICES - Customer shall furnish any notice, description, report or other communication relating to this Agreement in writing or by such other means (e.g., by electronic mail) as NYSE may specify. The address of each party for all written communications relating to this Agreement is:

21. CONFIDENTIALITY

(a) Each party acknowledges that in the course of performance of this Agreement it may obtain Confidential Information. Each party further agrees, except as otherwise required by law, (i) to use the same degree of care to keep all Confidential Information confidential and to protect the Confidential Information from disclosure to others as it would employ with respect to its own information of like importance which it does not desire to have published or disseminated, but in no event less than reasonable care, (ii) not to divulge any Confidential Information or any information derived from Confidential Information to any third person, other than to its and its Affiliate's directors, officers, employees, agents and advisors ("Representatives") who have a legitimate "need to know" in connection with the Agreement and who are bound by confidentiality restrictions at least as stringent as those set forth in this Agreement.

(b) The parties agree that Paragraph 21(a) does not apply to any information that (a) is or becomes generally available or

known to the public other than as a result of disclosure by a party or its Representatives, (b) was rightfully in the receiving party's possession or known by it at the time of the disclosure, (c) was rightfully disclosed to the receiving party by a third party having, to the knowledge of the receiving party, no obligation of confidentiality, or (d) was independently developed by the receiving party without use of or reference to any Confidential Information of the other party.

- (c) Notwithstanding Paragraph 21(a), in the event the receiving party is required under any applicable law, regulation, or request of a government or self-regulatory agency having jurisdiction over the receiving party to disclose any Confidential Information, the receiving will have the right to make the required disclosure without being deemed to have breached this Agreement. Nothing in this Agreement limits or precludes NYSE from exercising or fulfilling its or its Affiliates' obligations as a self-regulatory organization under the Securities Exchange Act of 1934 and the rules and regulations promulgated under the Securities Exchange Act of 1934 or as a regulated market or market operator under laws providing for the regulation of securities exchanges in jurisdictions in which the party operates regulated markets. Vendor further acknowledges that to the extent that NYSE is acting on behalf of the Authorizing SROs, the Operating Committee or Other Data Disseminators, NYSE may disclose the liability or other findings of the review to the Authorizing SROs, the Operating Committee and its Participants or Other Data Disseminators.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as of the date first above written.
