*** Due to labour action, Terminal berth schedules have not been updated since 2023-06-30 and are subject to change without notice.**

Note: Container vessels dwelling in the Pacific Region only include container vessels destined for Port of Vancouver terminals. Offshore area is measured approximately between N47-49° and W122-127°, the southern part of Vancouver Island and the Strait of Juan de Fuca. ETA Berth is subject to change and does not include anchor assignment. The beginning of dwelling days is determined on the first reported day of each vessel.
