Ambassadors Program

Academic Year

The Ambassador Experience

- Educational activities designed to meet academic and social strengths and needs specific to each Ambassador cohort.
- Test preparation, resume/CV writing, financial aid literacy, individualized development of life-long learning, and coping/wellness strategies.
- Support academic enrichment in cultural humility, identity formation/promotion/expression.
- Provide training in the clinical areas of opioid abuse, mental and behavioral health, or childhood obesity.
- One-on-one mentorship and peer to peer mentorship.
- Community engagement and service learning.

Eligibility

- NM resident or Navajo Nation resident/U.S citizen or non-citizens nationals, or foreign who possess a visa permitting permanent residence in the U.S. **(for payment purposes only)**
- Must express interest in a health profession
- Enrolled in a degree or certificate granting program.

Stipend upon completion of the program
